13 With reference to para 12 above, it is submitted that the DC Shimoga has recently made a recommendation for the extension of the term of the Bhadravathi Municipal till the end of June 1934, so that it may be constituted into a Sanitary Board. In view of this it does not appear necessary to address the DC now in regard to the question of Presidentship of the said municipality. It may be considered along with the proposal for the constitution of a Sanitary Board.
